

## Winning Lottery Ticket

This can be a very rewarding and also eye-opening activity. You will learn a lot about yourself from what you come up with! You have just won the lottery for \$50 Million, what is your first reaction? What will you do next? What is your life do you begin to prioritize to use your money wisely? Do you help others?

## Retirement Party

Almost the adverse to the Lottery Ticket activity. You are now retired, and you are going to write down a list of things you regret. At the end of a long and successful career, I want you to think about the things that path may have taken you away from. You have success and wealth, but what may you regret not doing?

## 6 Months Left

Not to sound morbid, but you often don't plan for this. You are told you have 6 months left to live, but that doesn't mean life is over. This may free you to do all you truly wanted, and be less hesitant or even fearful. The worst that can happen is closing in, so why not enjoy life with this newfound courage. What would you do? Don't think about it too long, just trust your instinct and desires!
